Recommended Device/Hardware Requirements

If your child currently has a Windows or an Apple Mac Laptop or a Netbook please make sure it is up to the school's specifications:

Windows 10 or OSX 10.12 and higher

Processor: i3 or better

RAM (memory): 4 GB or more

Wireless: 802.11 b/g/n

Battery Life: Minimum 6-hour battery or better

Size: Please think about the size and weight of the device for your child to transport and store.

*We do not recommend iPads or Android Tablets

*If you choose to buy a Chromebook from a retail store, please be advised that you will need to pay a fee of \$42.81 to Avenues College, to allow the IT Technician to install a Google Management License.

This helps the College to ensure that your child is using the device for school work purposes.

Please be advised that when bringing a device to Avenues College your child must abide by the 'Learning Technology Policy'.

Under the 'Acceptable Use of Learning Technology Policy' students must follow Department for Education guidelines in order to use the device at the College.

These documents can be found on the Avenues College website.
