

Avenues College is committed to providing the best learning environment for its students. Our college community pursues inspiring teaching and learning, values creativity and seeks excellence. We support this commitment by establishing agreement between families, students and educators about how we view each other and how we are seen by the wider community. This creates opportunities for everyone to belong. It recognises the important role of smart and appropriate clothes for a strong sense of wellbeing and identity, promoting safety and academic rigor.

We wish to remind families that in choosing Avenues College they undertake to support the school in its expectations for all students to wear the correct uniform. Students' appearance should be neat, clean and worn in a conventional manner. The wearing of other garments will be seen as incorrect uniform and therefore seen as unacceptable.

Avenues College has a clearly stated Uniform Policy. This policy was approved by the Governing Council, on behalf of all parents/carers and students. It requires that all students in Years R-12 wear approved college uniform.

The College recognises the diversity of its community and respects the cultural and religious beliefs of its members. Therefore, there will be times when special allowances are required and parents/carers are asked to contact the College when this is the case. The policy recognises the important role of smart and appropriate college clothing for a strong sense of wellbeing and safety.

Student Responsibilities:

- All students are expected to be in full uniform when attending.
- The prescribed Avenues College uniform is the only acceptable uniform.
- Students who come to school out of uniform are expected to bring a note from parents/caregivers. Failure to do so will result in a range of actions by the College.
- Students will not be permitted to represent the College in public if they are not wearing full uniform.

Parents are asked to:

- Support the College Uniform Policy.
- Check that their child is in uniform when they leave home each day.
- Contact the College if their child refuses to dress in uniform and work together with us to ensure the child wears our uniform.
- Supply their child with a diary note for a 'one day' uniform exemption.
- Ensure all items are labelled with their child's name.
- Refer to the Uniform Policy before purchasing any items.
- Contact the College if you require financial assistance.

SCHOOL PANTS

As a result of ongoing feedback from the College community,
I am making a minor revision in relation to the long black pants.

**Families are advised that students may wear neat, clean,
straight leg, black pants sourced from an outlet of their choosing.**

Thankyou for your continued cooperation.

Below we have provided guidelines for acceptable clothing as well as examples of some readily available black pants from local outlets.

These images and prices have been lifted directly from the store's websites.

They are only suggestions—you may source pants from wherever you wish providing they meet the guidelines for acceptability (noted at the bottom of the page).
